The
United
States
of
America

The Director of the United States Patent and Trademark Office

Has received an application for a patent for a new and useful invention. The title and description of the invention are enclosed. The requirements of law have been complied with, and it has been determined that a patent on the invention shall be granted under the law.

Therefore, this

United States Patent

Grants to the person(s) having title to this patent the right to exclude others from making, using, offering for sale, or selling the invention throughout the United States of America or importing the invention into the United States of America, and if the invention is a process, of the right to exclude others from using, offering for sale or selling throughout the United States of America, or importing into the United States of America, products made by that process, for the term set forth in 35 U.S.C. 154(a)(2) or (c)(1), subject to the payment of maintenance fees as provided by 35 U.S.C. 41 (b). See the Maintenance Fee Notice on the inside of the cover.

Lisa Staret Keu

Acting Director of the United States Patent and Trademark Office

MADE IN ITALY

A photograph of a modern building facade. The upper portion features dark blue, rectangular panels. A prominent entrance area is characterized by vertical wooden slats in a warm, orange-brown hue. The building is illuminated from within, creating a warm glow. The sky is visible in the upper right corner.

THE MENPHIS NETWORK

OPERATING SINCE

1982

ACROSS

85 countries

PRODUCTION AREA OF

30,000 square meters

MENPHIS is a forward-looking company that has successfully developed and expanded its know-how in the field of sublimation films and sublimation Bases, thanks to a strong innovative vision. Menphis is

currently the biggest european producer of sublimation film for aluminum, with a production area of 30,000 square meters - entirely located in Italy - and exports to over 80 different countries.
